

Request for Boat Loan

- members are able to borrow club boat(wooden or GRP) for an identified event
- the borrowing member is able to make their own team selection from within the club membership
- an experienced cox needs to be in charge of the boat (agreed with Coxing coordinator, Kerry Maguire)
- someone from the 'team'/tower or cox needs to know how to load and secure a gig correctly
- a request needs to be made to the Bosun (Toby Newson), who will know what call there is on boats and the Chair (Heather Prior)
- the tower must be a full member of LRGC
- The following information must be submitted to the Towing coordinator (currently Neil Spurdle)
 - details of the towing vehicle
 - evidence of insurance (tower's insurance company will insure the tower to tow a 32 ft gig, total trailer length being 34 ft, including A frame
 - towers driving licence

The Towing coordinator needs to be happy that the tower has the necessary experience to tow a gig.

- the captains and regatta secretary need to be informed of the 'booking'
- all costs of the event and towing will be covered by the rowers involved

The following information and signatures need to be provided before permission is granted. Please return copies to Heather Prior.

Heather to inform men's and women's captains (for information) and Lisa Watt (holds club calendar); scanned copy is acceptable.
